Valuing Safety Means

- I do not compromise my own safety or the safety of others.
- I take the time to recognize and control hazards.
- I do not take safety risks nor tolerate others who do.
- I know how to control the hazards in my work area.
- I learn and follow Yaskawa safety policies.
- When I see a hazard, I take the action necessary to remove it. If I can't remove it, I report it.
- I value safety away from work.
