

## Contractor Safety Policy Waiver Request Form

The contractor is responsible for complying with all of the requirements in Yaskawa America, Inc.'s Contractor Safety Policy (SAF-P-4000), Contractor Approval Checklist (SAF-F-4000), Contractor Job Hazard Assessment Form (SAF-F-4002) Contractor Declaration of Hazardous Chemicals and SDS Submittal Form (SAF-F-4003) and the Contractor Hold Harmless Agreement (SAF-F-4004).

The contractor is also responsible to ensure subcontractors within their control also satisfy these requirements.

The purpose of this form is to request a waiver to any of the requirements defined in these documents. A separate form is required for each requirement for which a waiver is requested.

Contractor:
